Bachelors of Technology in CSE – CGPA: 8.3/10.0

Cambrian Hall School, Dehradun March 2021 - May 2022

ISC Higher Secondary Certificate Percentage: 84.6/100.0

Cambrian Hall School, Dehradun March 2019 - June 2020

ICSE Secondary School Certificate Percentage: 81.5/100.0

Internship

Intern

June 2024 – July 2024

Tree Multisoft Services Dehradun, India

- A Digital Marketing and IT company where I performed SEO techniques for multiple websites, including on-page audits, keyword analysis, and created high-quality backlinks.

Intern

June 2024 – July 2024

Him foundation Dehradun, India

- Worked on projects like Celebration Zone and Stationary Bank.
- Promoted environmental awareness and greening of community spaces through plant donations.

Skills

Programming languages : C, Python , Java

Tools & Platforms : Flutter (Basic UI development), Linux (Basic CLI commands), Visual Studio Code (VS Code), RStudio, MySQL

Soft Skills : Communication, Leadership and Teamwork

Languages : English and Hindi

Projects

Inventory Management System (Java, NetBeans)

- Designed and developed a Java-based desktop application for efficient inventory management using JFrames and NetBeans IDE.
- Features include add, update, delete, view inventory, search functionality and user

authentication.

- Technologies used: Java (Swing), MySQL.
- Github repository link: - [JavaInventoryManager](#)

Portfolio Website (Html, CSS)

- Personal portfolio website that showcases my skills, academic projects, hackathon contributions, internships, and certifications.
- Designed with HTML & CSS. Deployed using Git.
- Link: - [Diksha Gupta- Portfolio](#)
- Github repository link: -[My-Portfolio](#)

Student Performance Analyzer (Data Science, ML)

- A basic R application that applies data science techniques and machine learning models (Random Forest classification & regression) to predict student pass/fail status and final grades.
- Github repository link: - [Student-Performance-Analysis](#)

Position of Responsibility

Group lead for Social Srijan internship (2024) and Samarth summer internship (2025)

- As the group leader for the internship, I coordinated multiple projects, managed team dynamics, and ensured effective collaboration among volunteers, which enhanced my leadership, communication, and organizational abilities.

Certifications & Achievements
